PROFESSIONAL EXPERIENCE

Pixlpe (Remote Startup)	Jan 2022 – Present
<i>Head of Social Media & Growth Strategy</i>	
- Spearheaded the social media roadmap, driving a 40% Month-over-Month (MoM) increase in organic traffic through targeted content pillars. - Designed and executed high-conversion campaigns that successfully acquired early adopters, reducing Customer Acquisition Cost (CAC) by 25%. - Managed the end-to-end content lifecycle, from ideation to publishing, ensuring 100% brand consistency across Instagram and LinkedIn. - Leveraged data analytics to refine posting schedules, resulting in a 3x increase in engagement rates within the first quarter.	
Freelance / YouTube Strategist	2022 – Present
<i>Social Media Manager & Video Producer</i>	
Collaborated with YouTubers to produce 100+ optimized videos, implementing retention-focused editing structures that boosted average view duration by 35%. - Engineered SEO-driven titles and descriptions, increasing search-based traffic by 50% for client channels. - Developed high-CTR thumbnail strategies, improving click-through rates from 3% to over 8.5% on average.	

- Facilitated brand deals and collaborations, streamlining workflow efficiency to ensure consistent weekly uploads.

KEY CAMPAIGNS & IMPACT

Pixlpe User Acquisition Campaign

Designed a visual content campaign focused on driving direct user sign-ups. Utilized psychology-based hooks and clear CTAs to convert social traffic into platform users.

Impact: Generated significant initial user traction and brand awareness.

👉 [View Campaign Proof / Visuals](#)

Creator Growth Program (YouTube)

Managed content operations for niche creators, delivering a roadmap for 100+ videos. Focused on "Series-based" content to trigger binge-watching sessions.

Impact: Achieved consistent channel growth and 100k+ collective views across managed assets.
